The accomodation for the duration of the internship is in the staff quarters at our all inclusive resort. Your accomodation is on a share basis with no more than 3 people per room. It is NOT luxury 5 star accomodation and is basic.

THE DIVING

Dominicus offers a large variety of dive sites. There are 2 wrecks specifically sunken as artificial reefs. One of our dive sites right in front of the resort boasts canons from Spanish Galleons from the 1400's intact with canon balls. The reef dives are very special as well.
